

Jones Associates

Dual-Wire Wristband

DWB – S, M, L

The DWB series dual conductor wrist strap set from Jones Associates is designed for use with a Dual Conductor Constant Workstation Monitor to maximize ESD protection. The Speidel metal band features two 180 degree conductive paths around the wrist, providing maximum skin contact. The expandable band is constructed with two stainless steel back plates and is available in small, medium and large sizes.

The DWB series dual conductor wrist strap sets are recommended for use with Jones Associates DWB-CC and many other commercially available resistance monitors*.

Product Specifications

Standards

Meets: ANSI ESD-S20.20 and ESDA Standard 1.1-2006

Wrist Band

Type: Speidel, Metal, Fixed Size (S,M,L)

Resistance: 100 ohms typical

Contact: 2 paths, 180 degrees around wrist

Color: Black

Back Plates: Stainless Steel

Part Number

DWB- S – Dual-Wire Wristband, Small

DWB- M – Dual-Wire Wristband, Medium

DWB- L – Dual-Wire Wristband, Large

*Compatibility with particular resistance monitors should be verified.
